Workshops

Understanding and Combating Workplace Biases (60 minutes)

This workshop will explore the common biases that often manifest in workplace settings. Through real-life scenarios, attendees will gain insight into how these biases can impact decision-making, team dynamics, and overall workplace culture. We leave time for group discussion and Q&A to ensure all questions are answered.

This workshop is led by either Jillian Climie or Sophie Warwick, see speaker bios below.

Key takeaways include:

- Learn to recognize various types of workplace biases, such as unconscious bias, affinity bias, and confirmation bias.
- Understand how these biases manifest in everyday work situations through detailed examples.
- Discover how biases can influence hiring, promotions, team interactions, and performance evaluations.
- Gain tools and techniques to mitigate biases in yourself and your team, promoting fair and objective decision-making.
- Learn how to actively contribute to a work environment that values diversity and fosters equity through conscious, bias-free practices.

Format: we offer both virtual and in-person workshops. Contact us today to learn more about our fees.
