### Leading Impactful Employee Resource Groups (60 minutes)

This workshop will help you develop and maintain successful Employee Resource Groups (ERGs) that effectively improve gender equity in the workplace. ERGs are critical in building a sense of community and belonging, identifying areas for improvement, and developing company specific policies that suit your culture and organizational goals. We leave time for group discussion and Q&A to ensure all your questions are answered.

This workshop is led by either Jillian Climie or Sophie Warwick, see speaker bios below.

#### Key takeaways include:

- Understanding & communicating the value of advocacy and support groups.
- How to develop an engaging group structure that can be maintained long-term.
- Selecting and coaching the right group champions, empowering them to succeed.
- Appreciating intersectionality and how different groups may work together.
- Setting up an annual calendar and enrolling key senior leaders.

**Format:** we offer both virtual and in-person workshops. Contact us today to learn more about our fees.
