Elevate Your Career with Sponsorship (60 minutes)

"Women are over-mentored and under-sponsored". This workshop equips attendees with an understanding of the value and importance of sponsorship. Sponsorship programs help create equitable access to career opportunities, especially in senior positions, which is critical in closing the gender pay gap. Learn how to build impactful programs and unlock the value of sponsorship in your workplace today. We leave time for group discussion and Q&A to ensure all your questions are answered.

This workshop is led by either Jillian Climie or Sophie Warwick, see speaker bios below.

Key takeaways include:

- Understand the impact sponsorship has on accessibility of senior positions.
- Learn the biases women face that effect their access to sponsorship.
- Discover the power of formal sponsorship programs in achieving equitable and inclusive workplaces.
- Understand how sponsorship integrates with mentorship.
- Establish strategies to implement sponsorship programs in your organizations.

Format: we offer both virtual and in-person workshops. Contact us today to learn more about our fees.
