Mentorship with Purpose: Empowering Growth Together (60 minutes)

In this workshop, we'll discuss how to foster impactful and sustainable mentorship and sponsorship relationships - both as a mentor and a mentee. We'll teach you actionable strategies to build mutually beneficial connections that will grow with you over your career. By leveraging these relationships, you'll expand your network, gain valuable guidance, and unlock new opportunities for professional development and advancement. We leave time for group discussion and Q&A to ensure all your questions are answered.

This workshop is led by either Jillian Climie or Sophie Warwick, see speaker bios below.

Key takeaways include:

- Pre-planning: how to establish the mentorship relationship.
- Building authentic connection that benefits both parties.
- Setting yourself up for a successful relationship long-term.
- The importance of both sponsorship and mentorship in your career.
- Effective strategies to get the most out of mentorship.

Format: we offer both virtual and in-person workshops. Contact us today to learn more about our fees.

Jillian Climie (she/her)

Jillian Climie, Co-Founder of The Thoughtful Co., has spent her career advising and leading teams in executive compensation and corporate governance, both as a consultant, and in-house at two global retailers. Most recently at Lululemon, she led the global equity and executive compensation programs. She co-founded The Thoughtful Co. so she can leverage her niche and technical experience, coupled with her passion for gender equity, to 1) empower women to get paid what they deserve, and 2) empower employers to build more inclusive workplaces. She supports clients across Canada, the US and the UK.

Sophie Warwick (she/her)

Sophie Warwick, Co-Founder of the Thoughtful Co., specializes in developing in-house gender equity policies and chairing Employee Resource Groups and advocacy groups. She uses her data analysis expertise from her engineering background to define targets and track growth and retention. In 2018, she Co-Founded Women in Consulting Engineering (WCE), a non-profit organization to support and empower women in engineering. She co-founded The Thoughtful Co. so she could build more gender inclusive workplaces, help women in advocating for their value, and build representation of women at senior levels in all industries.
