Workshops

Building Your Career Plan (60 minutes)

This workshop will support attendees in building out a concrete career map that sets the stage for them to achieve their goals. We'll work on actionable planning you can start today, that will help you get to where you want to be in the future. By creating a clear vision and step-by-step roadmap, you'll be better equipped to navigate career challenges and seize opportunities for growth and advancement. We leave time for group discussion and Q&A to ensure all your questions are answered.

This workshop is led by either Jillian Climie or Sophie Warwick, see speaker bios below.

Key takeaways include:

- The specific steps to take to help you build out your career plan.
- Gain the tools to gather valuable insights from both external opportunities and your own self-reflection, helping you create a personalized career roadmap.
- What you should, and should not be, included in a career map.
- The importance of using goals, metrics, and timelines in empowering you to achieve your goals.
- How to address biases women face as they move up in their careers.

Format: we offer both virtual and in-person workshops. Contact us today to learn more about our fees.

Jillian Climie (she/her)

Jillian specializes in leveraging her strategic human resources background to help women get paid what they deserve and to support employers in building more equitable workplaces. A graduate of Ivey Business School, Jillian built her career in executive compensation and corporate governance, advising organizations both as a consultant and in-house at two multinational retailers. Most recently at Lululemon, she led the global equity and executive compensation teams. At The Thoughtful Co., her clients on average achieve +25% increases in their pay, and have successfully negotiated at leading companies worldwide.

Sophie Warwick (she/her)

Sophie equips both individuals and organizations to achieve measurable results through equitable compensation and workplace strategies. She coaches women to confidently negotiate salary, equity, benefits, and parental leave, and advises employers on gender equity policies, fair promotion frameworks, and impactful Employee Resource Groups (ERGs). With over a decade of industry experience, she brings analytical rigor and strategic insight to her work. Sophie also co-founded Women in Consulting Engineering (WCE) Vancouver, now a national organization with thousands of members.
