

COMPENSATION NEGOTIATION SERVICES

- **1:1 prep session:** 45 minute prep session in advance of negotiations where we discuss how to approach your specific situation. Includes identifying what elements of compensation & benefits to push on (and how much), how to structure your ask, and how to articulate your unique strengths.
 - Includes personalized sheet outlining all components of your current compensation & benefits package, and areas where there may be gaps. Can be used by you for years to come to evaluate new offers.
 - *Price: \$185 per session. Please note any document review before or after these sessions is billed at our hourly rate.*
- **Advocating for yourself prep session:** 45 minute prep session where we help you understand your unique value and strengths, and how to articulate them. Additionally, we walk through how to approach difficult situations at work.
 - *Price: \$185 per session.*
- **Employment contract review:** Review & commentary on contract, including areas to push on and where to ask questions. Components reviewed include: salary, bonus, equity, sign-on awards, allowances, long-term savings programs, benefits, vacation/PTO, flexible work schedules, and more.
 - *Price: \$230-\$550 based on complexity of offer.*
- **Equity valuation sheet:** Sheet enabling you to value your stock options, restricted stock units or performance stock units real time.
 - *Price: \$150-\$465 depending on complexity of equity.*
- **Financial model of your compensation:** Shows your take-home pay (salary + bonus payouts + equity vests) over the next 5 years under different share price performance, bonus performance, and salary increase scenarios.
 - *Price: \$750.*
- **Senior executive peer analysis:** The same analysis a Board of Directors uses to determine your pay. Outlines pay levels and design of your peers. Please contact for more information.
 - *Price: \$1,000-\$2,500 depending on level of peer disclosure.*
- **Ad hoc support:** \$185 per hour, billed in 10 minute increments.
